To sign in

International students can pre-register on Coriandre as soon as they receive an e-mail from no-reply@ens-paris-saclay.fr containing their connection link and ID.

Once Coriandre is open, pre-register by going to the IA Web tab.

At the beginning of your registration, only one tab will be active. Once all the elements have been filled in, you will have access to your registration form, which does not constitute a school certificate, and then to paybox (online payment) to make your payment online once the School Office has validated your file.

The tabs below will open as you complete them. Be sure to validate the first page "Info. Generales" page or you will have to start the whole process again.

There will be 7 tabs to fill in before you finalise your registration with the payment tab.
1. « Info. générales » Tab

This tab allows each student to enter their personal details, address and telephone number. Fields marked with an asterisk are mandatory.

1.1 Administrative information area

- A tab called CVEC (Contribution à la Vie Étudiante et de Campus) has been added since 2018. Before any registration, it has become compulsory to pay it. The payment of the CVEC, either by payment or by exemption, can be done by going to http://cvec.etrudiant.gouv.fr/

Exempted students are international students with scholarships on social criteria (CROUS) and from the French government, international exchange students and Erasmus students.
At the end of the process, you will receive a certificate with a number to be entered in this field. The CVEC document must also be uploaded.

**WARNING**: Family names are written in capital letters. For first names, only the first letter is capitalized.

2. «Titres d’Accès» Tab

This tab allows the student to indicate the diploma/title/competition obtained which enables them to access the institution’s courses. For example, if the student only has the baccalaureate (or its equivalent), he/she can only choose to enroll in a course for which the required level is at least the baccalaureate.

2.1 Baccalaureate or equivalent degree for access to French higher education institutions area
