Advanced students

Fulbright Student Grants to France: ENS Paris-Saclay

Graduating college seniors, Master's, and PhD level candidates interested in a degree program and/or a research project at the prestigious and highly competitive Grande Ecole, Ecole normale supérieure Paris-Saclay (ENS Paris-Saclay).

Candidates to Master's degrees are particularly encouraged to apply.

ELIGIBLE FIELDS	Fundamental sciences, engineering sciences, social sciences and humanities
NUMBER OF AWARDS	2-4
LENGTH OF AWARDS	6-12 months
BENEFITS (MAINTENANCE AND TRAVEL)	Approximately 1000€ per month and a full tuition waiver from ENS Paris-Saclay. An additional 500€ per month from the Franco-American Commission, as well as a 1200€ travel allowance.
HOW TO APPLY	<p>Applicants are required to first contact the ENS Paris-Saclay International Office (ri-incoming@ens-paris-saclay.fr) for information on the procedure to apply for the ENS Paris-Saclay international scholarship.</p> <p>A letter of affiliation signed by the relevant supervisor at ENS Paris-Saclay should be submitted with the application for applicants pursuing both degree-seeking and research projects.</p> <p>Second step: Apply to the Fulbright student program through the International Institute of Education (IIE) (http://us.fulbrightonline.org). Applicants enrolling in a degree seeking program must apply to ENS Paris-Saclay as well once they have been confirmed as Fulbright grantees.</p>
DEADLINE	October 13, 2020
ABOUT ENS PARIS-SACLAY	<p>The Ecole normale supérieure Paris-Saclay (ENS Paris-Saclay), a graduate school dedicated to preparing students for careers in research and higher education, is a selective school with a rigorous curriculum. It is a member of the Université Paris-Saclay.</p> <p>ENS Paris-Saclay offers Master's and doctoral degree programs in the fundamental sciences, humanities and social sciences, and engineering, with an emphasis on research and multidisciplinary perspectives.</p> <p>In 2020, ENS Paris-Saclay is moving to the Université Paris-Saclay campus, with new teaching and research departments, laboratories, and doctoral programs, and new opportunities for collaboration.</p>
FRENCH LANGUAGE PROFICIENCY	Except for the eight Master's programs delivered in English, an excellent knowledge of French is required for candidates interested in pursuing coursework. A basic knowledge of French may be sufficient for candidates proposing scientific research projects in one of ENS Paris-Saclay's laboratories.
FOR FURTHER INFORMATION	<p>On specific research laboratories at ENS Paris-Saclay, see https://ens-paris-saclay.fr/en/entites/laboratoires</p> <p>For a list of degree programs: https://ens-paris-saclay.fr/etudes/echanges-internationaux/venir-etudier-lens-paris-saclay</p>
CONTACTS	<p>At ENS Paris-Saclay: Catherine Stephan-Evain, ri-incoming@ens-paris-saclay.fr</p> <p>At the Franco-American Commission: Charlotte Goodwin, cgoodwin@fulbright-france.org</p> <p>At IIE: FBstudent.EUR@iie.org</p>
